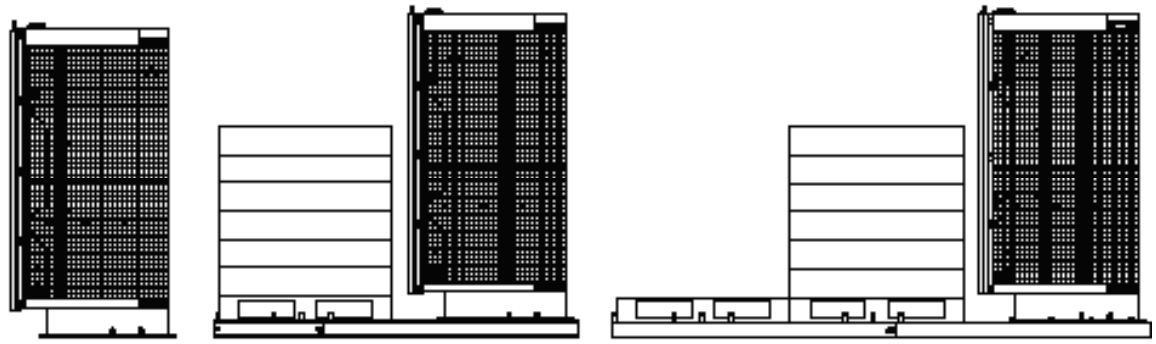
Stationary Pallet Changer

SPC20/1220/B **SPC20/1220/S** with Load Pusher or Push/Pull **SPC20/1220/D** transferring pallets **0612201701**



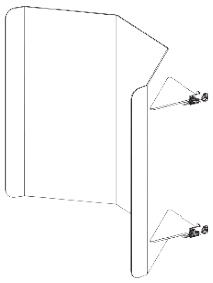
Model	Loading Capacity (kg)	L (mm)	H (mm)	Width (mm)	Power Supply	Weight (kg)	Faceplate speed	A (mm)	Safety Circuit
SPC20/1220/B	2000	1171	2192	1100	3ph/400V/16A/50Hz or 3ph/208V/16A/60Hz	1041	7-16 sec	185	CAT3/PLd
SPC20/1220/S		2571	2307	1200		1477			
SPC20/1220/D		3790	2307	1200		1681			

General Options all SPC-models

Warning buzzer
Warning beacon light (LED)
Warning oil level and temperature
Option - Thin Loading Platform (TLP) in combination with SPC20/1220/B
Single version - Galvanised
Single version - Stainless Steel
Double version - Galvanised
Double version - Stainless Steel
NOTE: High voltage cable and plug needs to be purchased and installed localy!

Optional Octabin adapter

Mostly used for liquids and granulates



Other capacities, dimensions, voltages, amperes, etc. on request.

Thin Loading Platform (TLP)
